Install Fee \$50.00 (One Time Fee)

We install each of our systems while making sure they are placed in the best place possible in the home. We perform voice and pendant tests throughout the home to make sure everything is working as it should. We never ship the equipment to you, expecting you to install it.

SafetyLINK PLUS \$49.95 per month

SAFETYLINK PLUS includes everything in the SAFETYLINK program plus the following for only \$15.00 per month more:

Our **SAFETYLINK PLUS** program is fully customizable to meet the needs of the subscriber and the family. This program can perform health and wellness tests, a wake up service, nutritional and medication reminders. The **SAFETYLINK PLUS** option puts the subscriber in contact with a caring and fully trained **ResponseLINK** operator that can remind the subscriber as many times as needed throughout the day to:

- Lock the door at night
- Turn off the gas on the stove
- To take medications at specific times during the day
- Let the dog in or let the cat out
- Eat Lunch
- Check their blood pressure or blood sugar
- Check on them in the morning to see if they are up and moving around
- What ever the subscriber needs to be reminded about, ResponseLINK's **SAFETYLINK PLUS** program can do it.

With ResponseLINK's one of a kind Personal Emergency Response System, seniors have a trained professional who is there to help them through almost any situation. They can worry less and enjoy their independence knowing someone is waiting to answer their call for help anytime, 24 Hours a day, 365 days a year, at the touch of a button.
